

Papa, I never thought I would have to say goodbye to you so soon...

Your smile, your little dance when the food was good, the fact that even at your age you still tell me to pull your finger... we always say good people go first....

Life is unfair sometimes no matter how good you are. I remember that one time when you told me « Those we love don't go away, they sit beside us every day » when I lost one of my stuffy and now I can say that for you, you taught me lot of things but never how to live without you, I wish all of this was a nightmare and I'm gonna wake up with a text from you.

I love you dad and I will always love you.

Ce n'est qu'un au revoir 🕊️❤️ Papa je t'aime tellement à bientôt...
